

Kipper

Entry No. 11

Vessel Type

Classic open launch 6m, custom built 2010 Brixham

Skipper / Captain

Jeremy Round Smith

Kipper is a classic looking open launch, 6 metres long, custom fitted out in 2010 in Brixham on the hull of a Torbay Potter. A sturdy sea boat with an inboard diesel engine and nicely finished with lots of varnished joinery. She is kept on a Royal Dart Yacht Club mooring and enjoyed as a family boat. Joining Jeremy Round Smith on board today are his daughter and two grandchildren, aged 6 and 3.
