Vessel Type

Ketch sailing boat. 12m

Skipper / Captain

Captain Blue Beard and the Disco Wench

The Disco Pirates, Captain Blue Beard and his Disco Wench, have sailed in to guard the river and seaways, with a little help from their trusty seahorses! Their Oyster 39 is based in Weymouth and has arrived in Dartmouth straight from a two-week cruise around the Channel Islands. The same model was used as a communications vessel during the 1979 Fastnet Race, remembered for the severe storm and tragic loss of life. The Disco Pirates have great respect for all the crews and rescue services who took part. On board today, dressed as disco pirates with the boat suitably decorated!
